

## How to Use BlueBox Classroom

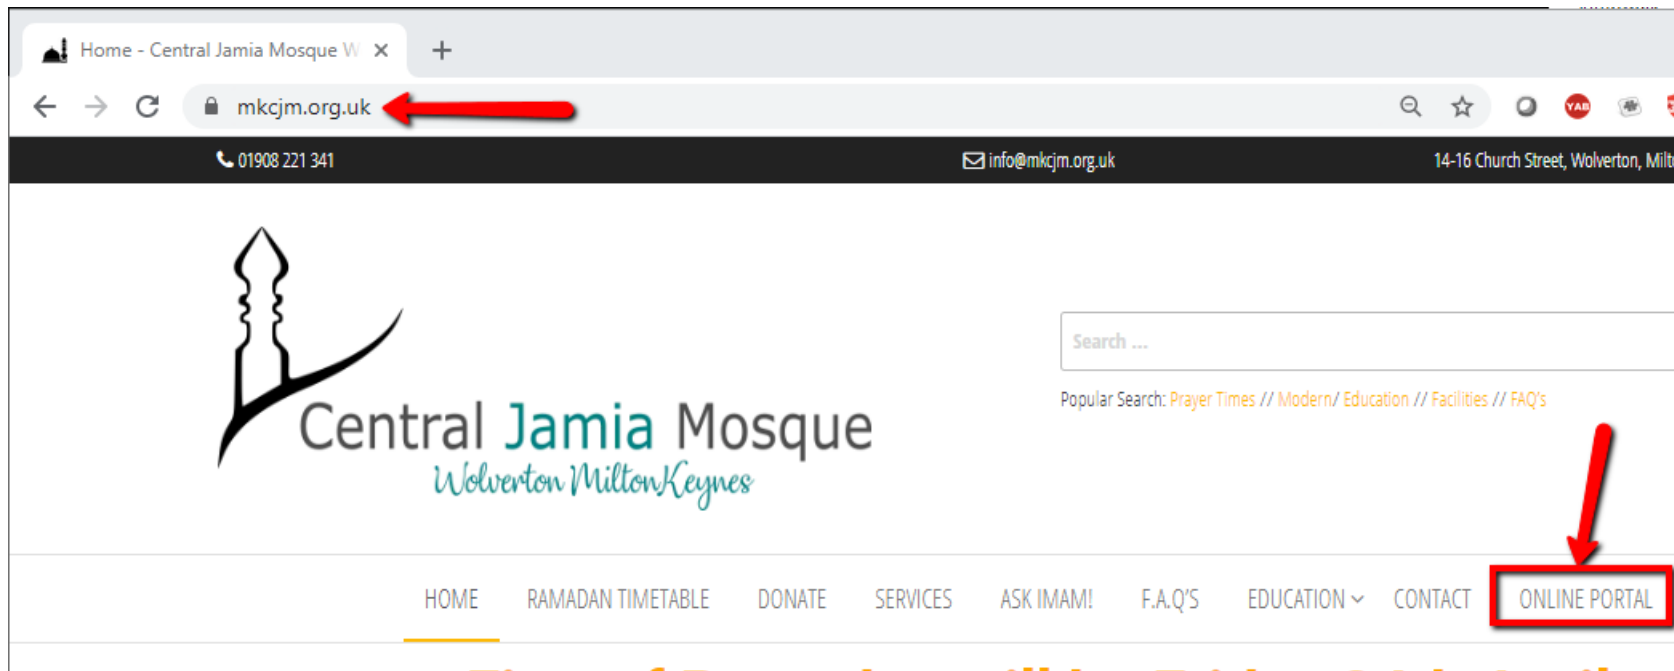

Please read whole document once before trying. When you are trying make sure you have this document handy so you can refer back to this guide.

For testing you can use Test class, which is always active : <https://mkcjm.org.uk/testclass>

Open Browser on your PC, I-Pad or Laptop (Note: this is only compatible with Chrome, Safari or firefox: Internet explorer or older browsers which don't support WEBRTC & HTML5 will not work)

Goto website: [www.mkcjm.org.uk](http://www.mkcjm.org.uk)

Click on Online Portal as shown below.

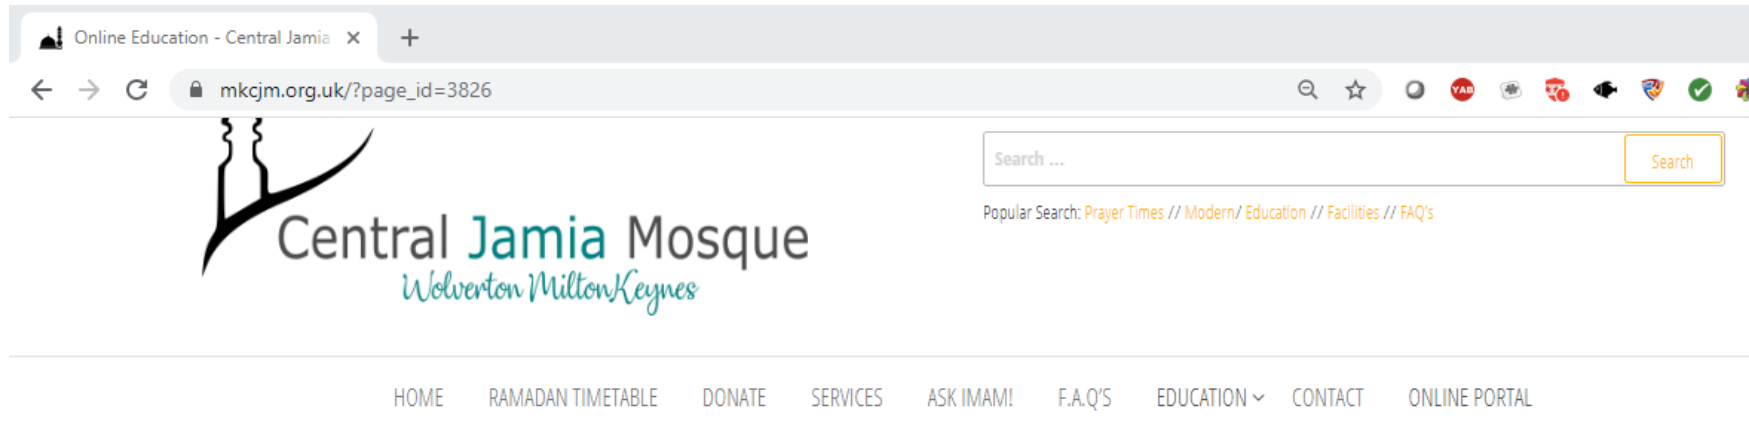

This will take you to another page

Either click on required link, alternatively you can scroll down to get to required class link as shown below

**Bluebox** : powered by Dynamicblend

# How to Use BlueBox Classroom

BOYS

Quranic Classes - Children

GIRLS

## How to Use BlueBox Classroom

Once you Click on required link, system will take you to portal so you can enter your name and join the class.

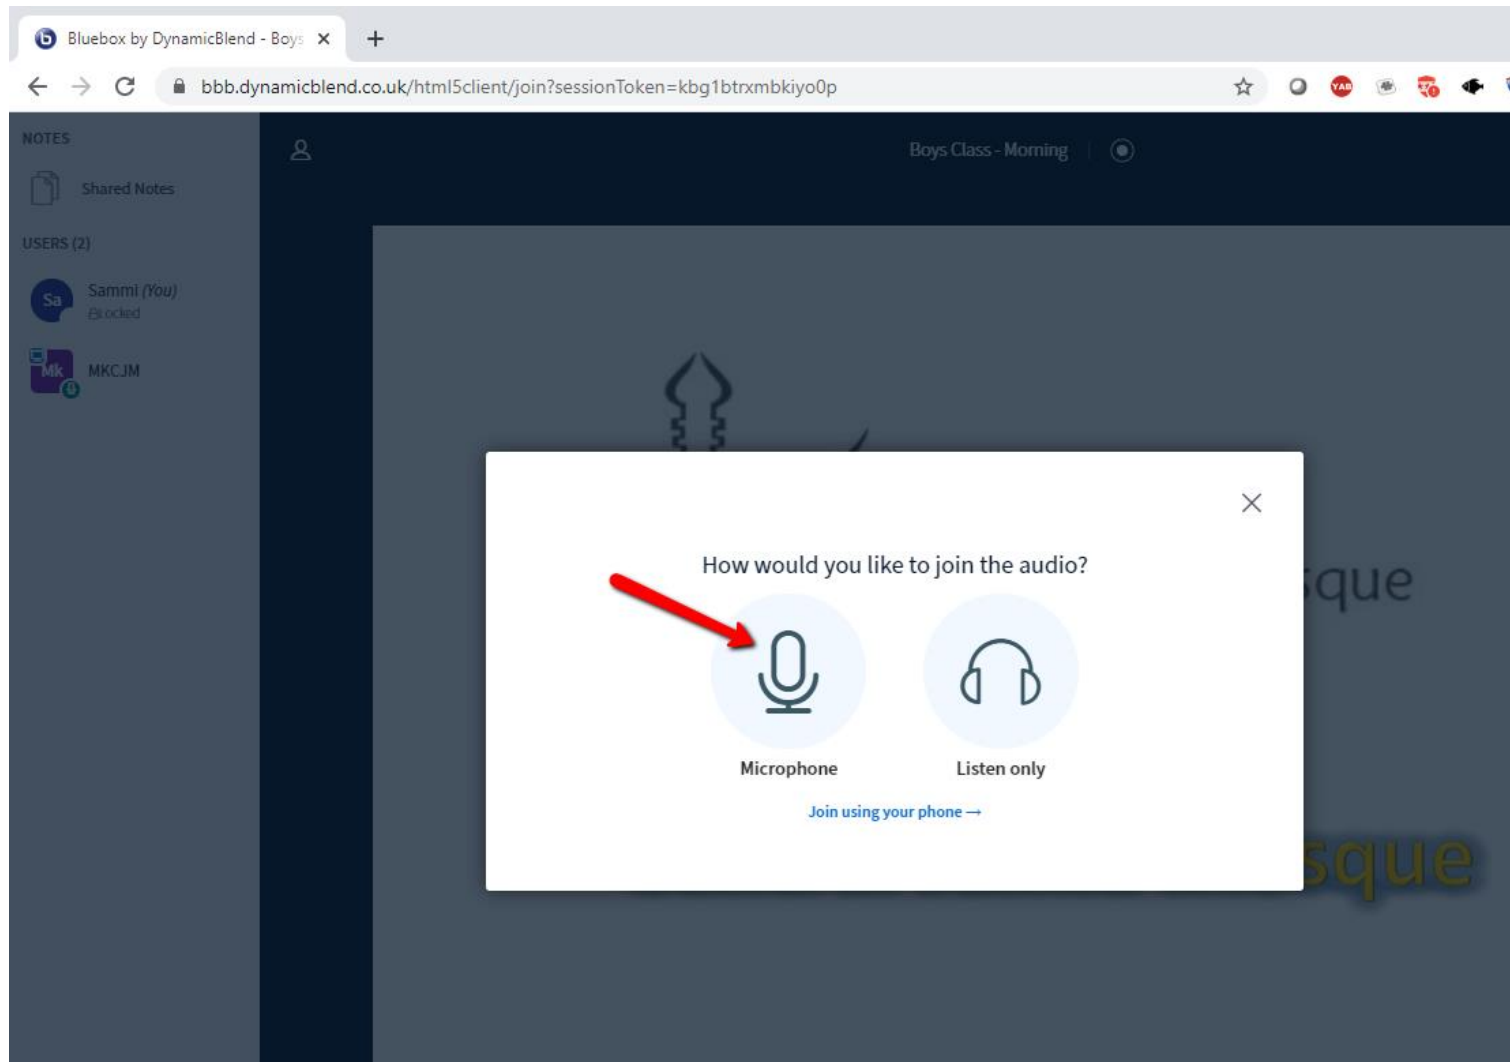

If you get a message that class hasn't started yet then make sure you have joined correct class. Please note teacher will open class on it time, once Teacher starts class, you will join automatically.

When class is started you will be joined in and will be shown a screen as below. This screen will ask you to select the Microphone option so you can talk to teacher. You need to click on Microphone.

## How to Use BlueBox Classroom

First time you join, you will be asked to allow microphone by website

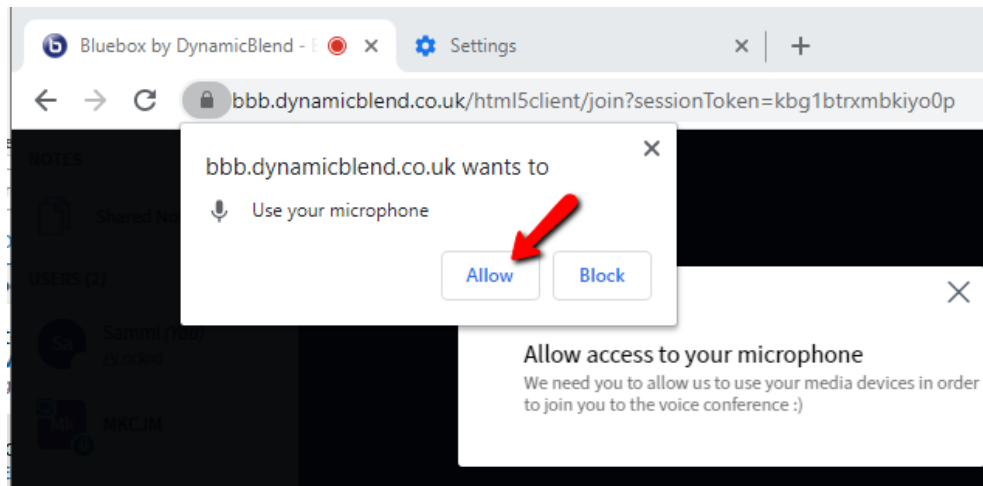

If this is first time then you will get a screen asking you to allow microphone as below;

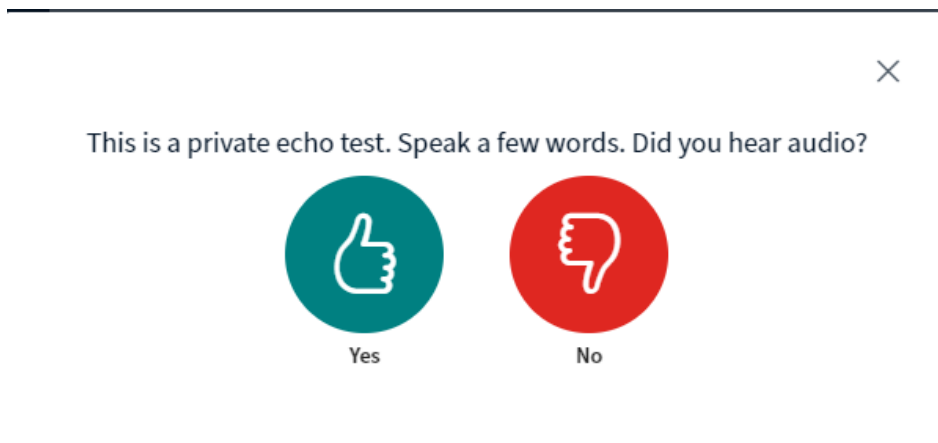

You must click on Allow

**Bluebox** : powered by Dynamicblend

## How to Use BlueBox Classroom

When you click on Allow, you will be asked to perform a quick voice test. Just say your name and see if you can hear it.

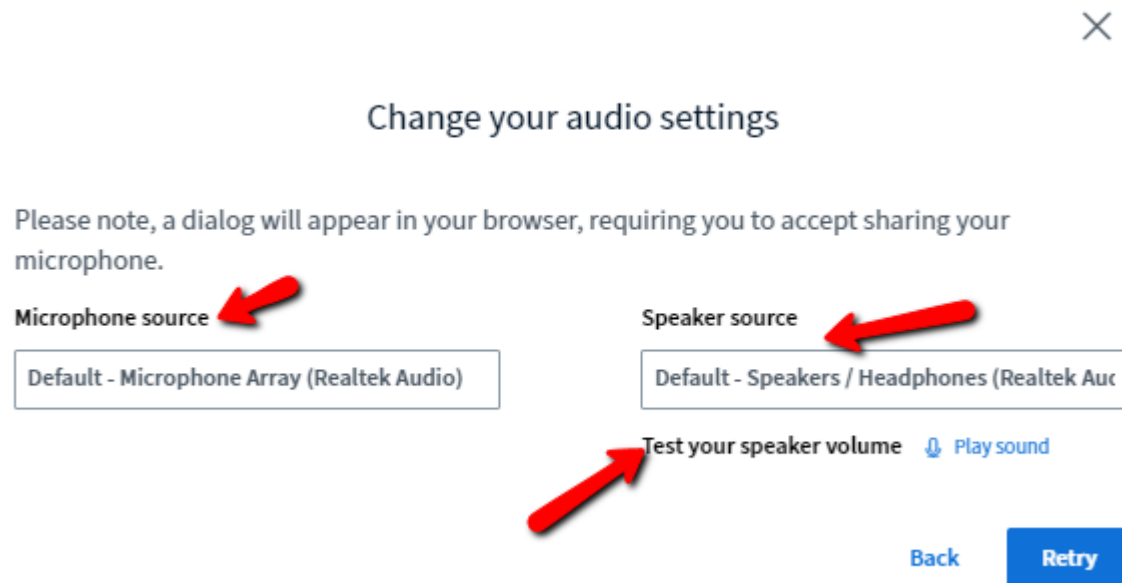

If you can hear yourself clearly then click on **YES**, otherwise click on **NO**

If you can hear then skip step below and goto Web Cam settings;

If you cant hear yourself then click on NO, this will take you to new screen as below;

## How to Use BlueBox Classroom

Now click on PLAY SOUND as shown in picture above. If you can hear a sound playing then your speakers are working fine. If not then select Speaker source above and try other options until you hear the sound.

If you can hear fine but wasn't able to hear yourself then try different Microphone.

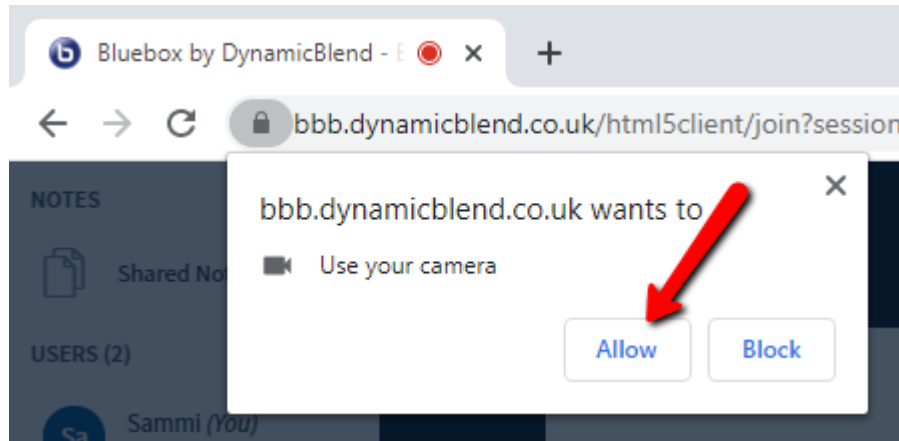

Best way is to plug your headphones before you start the class as this way they will be automatically selected.

Now click on RETRY to test again.

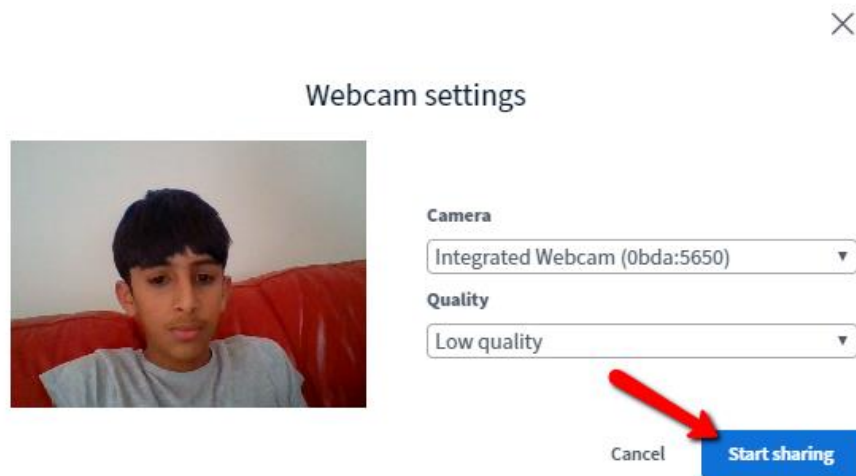

If its working fine then move to next step of Camera.

Now you will see similar popup asking you to allow webcam, you need to click on allow as shown in picture below;

## How to Use BlueBox Classroom

Now make sure your face is clearly showing in screen as below and click on SHARE

You will now join the class, see below screen for options;

# How to Use BlueBox Classroom

The screenshot shows a web browser window with the URL `bbb.dynamicblend.co.uk/html5client/join?sessionToken=dnysi3jgsui6ituc`. The interface includes a sidebar with 'NOTES' and 'USERS (2)' (MKCJM and Sammi Rehman). The main area features a video call with 'Sammi Rehman' and a shared slide titled 'Central Jamia Mosque' with the text 'Let's Learn with Central Jamia Mosque'. A 'Start recording' button is visible at the top. A bottom toolbar contains icons for mute, video, and other controls. A right-side toolbar contains icons for hand, undo, delete, and a drawing tool.
